Therefore, every service and programme will be a time of refreshing in the presence of God. I confess men from far and near minister to my needs and my spirit is refreshed daily. I boldly confess, through evangelism, deliverance, prayer and ministration of the word, the Holy Spirit gives comfort and peace of mind to our ministers to preach effectively with fresh anointing and all church members receive joy, comfort, and freshness. Our Ministers receive comfort and their spirits are being refreshed at all times by the saints. I confess that all the elderly in our church are waxing stronger and fresher by the day. Our SMIC and other Ministers are faithful messengers and are refreshing and pleasing to Christ their Master. **I manifest my potentials this year and it is evident for all to see. I break through every barrier that has prevented my potentials from manifesting maximally like disobedience, fear, unbelief, procrastination, wrong relationships, wrong environment etc. I discover, explore, develop and deploy every potential in me that has remained undiscovered untapped and unused till now. I go from the minimum to maximum. What has been my maximum is now my minimum in Jesus name. Though my beginning were small my later end will be very great.
